

Getting started with Edgenuity

1. Logging in to Edgenuity
2. Resetting your Edgenuity Password
3. Sapulpa Email
4. Technical Support

Part 1: Logging in to Edgenuity

Website: <https://auth.edgenuity.com/Login/Login/Student>

Or a link can be found on <http://sapulpaps.org/> website under the Virtual Academy

Username: Your school email address (example john.doe@stu.sapulpaps.org)

Password: The password you assigned. If you have not assigned a password or forgot your password, press the  button.

Part 2: Resetting your Edgenuity Password

If you are still on the login page press the  button.

Put your school email address into the username box and press continue. You should see the following response:

Check Your Email

We've sent an email with instructions on how to reset your password.

Please check the email account that is associated with your username.

 LOGIN

In about two minutes you should receive an email (in your school email) providing you a link to reset your password. Update your password and log in.

Part 3: Sapulpa Email

Go to Mail.google.com

Username: email address (example John.Doe@stu.sapulpaps.org)

Password: student number

If you don't know your student number ask your school counselor.
