## Student Technology Insurance Program (STIP)

The Sapulpa Public Schools Student Technology Insurance Program (STIP) has been established to give parents the ability to purchase insurance for 1:1 Instructional Technology Initiative Package for the current school year. The insurance, if purchased, will cover the repair or replacement costs of the Chromebook and Charger, except where noted otherwise\*. The cost to participate in the STIP is \$25 per student per school year. This is a voluntary program and families are encouraged, but not required, to participate. Keep in mind, according to this SPS STIP agreement, parents are responsible for the full cost of any repair or replacement of all damage to or loss of the Chromebook and/or Charger.

- ☐ **Acts of intentional damage will NOT be covered by the STIP.**
- ☐ **Lost chargers are NOT covered by the STIP.**
- ☐ **Damaged chargers must be returned to be covered by the STIP.**

**\*\*Insurance Claims of Theft must include a completed theft report from Sapulpa PD or Creek County SD (or other appropriate law enforcement agency), signed by a parent.**

## SPS Insurance for Chromebooks

\_\_\_\_\_ **YES**, I would like to participate in the SPS Student Technology Insurance Program for Chromebooks. I understand this is a voluntary program that will reduce the cost for repair/loss that I may be subject to if the Chromebook on loan to my student is damaged, lost or stolen. The SPS STIP (including the reduced costs to repair / replacement) is described in detail in the SPS Chromebook Handbook.

**Payment (cash or check) must accompany this paperwork or be paid via MySchoolBucks or PayPal.**

*(The JOM program pays the insurance of all students in their program that are enrolled in SPS before Sept. 30 of each year).*

\_\_\_\_\_ **NO**, I decline participation in the SPS Student Technology Insurance Program. I understand I will be financially responsible for all damages or loss up to the full replacement cost associated with such loss or damage of the Chromebook and / or charger while checked out to my child.

**I have read and understand the rules and the financial responsibilities of the SPS STIP for Chromebooks. I agree to all terms and conditions of the program and voluntarily enroll my student for the current school year.**
