Fall 2019

Dear SHS Alumni and Friends,

Greetings from the Sapulpa Public Schools Foundation (SPSF)! We are a non-profit organization administering the *Sapulpa Community Scholarship Fund*. This fund was created 13 years ago with an initial endowment of $125,000 from a local citizen. The endowment was created to provide scholarships to help Sapulpa High School students attend a university of their choice.

*Only the earnings* from the fund's investments are allocated for scholarships, and the original and all future contributions to the fund will continue to generate scholarship money every year. Your contribution continues to earn money for scholarships every year regardless of the state of the economy or the amount of additional contributions. The three recipients of the 2019 scholarships received $5,000 each. To date $160,000 has been awarded in Scholarships.

Information about the SPSF is located on the Sapulpa Public Schools website at [www.sapulpaps.org](http://www.sapulpaps.org). Click on District, then SPS Foundation and follow the link to read the letter and contribution form. The SPSF is classified as a 501 (c) 3 exempt public charity. This letter campaign will run until December 31, 2019. Please use the enclosed envelop to mail your donation.

Your donation may be made in memory of or to honor alumni, family members, educators and community members who have supported the Sapulpa Public Schools. Please help us provide more scholarships for deserving students.

*Please consider making a tax-deductible contribution.*

Sincerely

Teri Sherwood
