Welcome to the 2020-21 school year! This is sure to be a historic year for schools across the country. I am grateful for the tireless efforts of our district and community to get us to this point of re-opening our school. While this year is sure to present some challenges, we are excited to be back in school TOGETHER!

Please make sure the front office has current/up to date contact information. It is very important for us to be able to reach you in the case of an emergency or illness.
